

VS999

Grain type	Ceramic
Backing	Fiber
Color	Dark gray
Coating	Close Coat
Bonding	Resin over resin
Jumbo roll width	1350mm

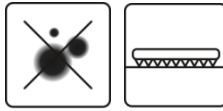

Applications

General Metal Welding
 And Carbon Steel

Features

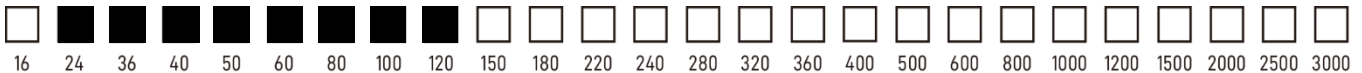

Anti-Burning Close Coat
 And Dry Sanding

Product form

Fiber Disc

Grit Sizes

 : Available on demand only (Not regularly produced)

Benefits

- Fast cutting, longer wear
- Special Ceramic Grain aggressive cutting performance
- Especially long, cool cut
- Deburring forged metal
- **Burn Free treatment added**
- **High-Temperature Material / Carbon Steel / Forging Steel / Ferrous Metal / Welding Rods**
